INTRODUCTION TO KALATHON

Kalathon is a dynamic and multifaceted fest that celebrates the diverse talents of K-12 students in sports, culture, arts, crafts, and linguistics. Organized by Mother Teresa Modern Public School, Kurukshetra, Kalathon has been a platform for interschool competitions since its inception in 2022. This event encourages participation from both boys and girls across all age groups, offering them a fair and supportive environment to showcase their skills. The competitions are judged by esteemed professionals from various renowned organizations, ensuring impartiality and high standards. The presence of parents at the event adds to the encouragement and morale of the participants. Detailed information about the event is available on the official website, kalathon.com

PREVIOUS RESULTS AND HIGHLIGHTS

In its first year on December 12, 2022, Kalathon attracted 616 students from 29 schools across the Kurukshetra district, who competed in 12 events across 22 categories. The event was made even more special by a meet-and-greet with Nicktoons characters Motu Patlu, thanks to the kids' TV partner, NICK. Every participant received a certificate of participation, and 66 achievement certificates, along with trophies and medals, were awarded to the top three winners in each category.

The success of the inaugural event paved the way for an expanded Kalathon 2023, held on October 30, 2023. This edition included participation from 32 schools, with 895 students competing in 18 events across 26 categories. A special appearance by Ninja Hattori, courtesy of Nickelodeon Sonic, added excitement to the event. As before, participation certificates and refreshments were provided to all, and 78 achievement certificates, trophies, and medals were awarded to the best performers.
